AUSURV PTY LTD COMPANY'S QUALITY POLICY STATEMENT

The primary goal and policy of the Company is to undertake and complete projects of high quality to the satisfaction of the client.

The Company is committed to pursuing improvements in quality, efficiency and customer satisfaction.

As the Company's future is dependent on client satisfaction, we are committed to assuring the quality of the completed product through provision of a quality system.

Quality is everyone's responsibility and all personnel are to be made aware of and are expected to participate in and support all quality-related activities.

It is our objective to establish, maintain and continually monitor with a view to improving, a properly managed quality system. The system is to assure and evidence that the quality is achieved in accordance with this policy and customer requirement.

The Quality Manual outlines the Company's quality system and how it is established, implemented and maintained in order to assure quality. Our management personnel support this quality system and are committed to its successful implementation and maintenance.

This quality system is designed in accordance with AS/NZS ISO 9001
